TASTING NOTES

This wine was made with Touriga Franca, Tinta Barroca and Tinta Roriz grapes. This deep red colored wine reveals fresh and ripe red fruit aromas. The structure of its soft tannins shows the good ripening of the grapes, which together with its freshness, make this a pleasant and balanced wine.

THE REGION

It was on the valley of the Douro river that the oldest wine designation of origin in the world was born, demarcated and legislated in 1756 under the direct influence of the Marquis of Pombal. The valley, decorated with vines uniquely arranged on terraces that are giving a unique and unmistakable landscape to the region, is classified as World Heritage since 2001 by Unesco. Although particularly difficult to work with, these soils besides being excellent for the longevity of the vineyards, make true the possibility to obtain very concentrated and unique wines. The Douro region is highly influenced by microclimates arising from the irregularity of the reliefs around it. As a consequence, Douro wines are rich and fresh, full-bodied and elegant with an unparalleled profile.
