TASTING NOTES

Wine of deep garnet opaque color. Touriga Nacional grape has a very important role in this blend, standing out floral notes with an elegant presence of fruit. A Douro wine of silky tannins and strong personality, with a long-lasting finish.

THE REGION

It was in Douro river's valley scarps that one of the world oldest Denomination of Origin was born, marked and legislated in 1756 for direct influence of the Marquis of Pombal. These scarps, decorated with vines singularly disposed in terraces and platforms, confer to the region a unique landscape, classified Worldwide Heritage in 2001 by UNESCO. Although particularly difficult to work, these soils are excellent for the longevity of the vines, and they contribute immensely to the concentration of wine.
