TASTING NOTES

Intense aroma that suggests jams of red fruits and spices, with a hint of toast and smoke. In the mouth it is full-bodied and vigorous, with ripe tannins and a long finish.

THE REGION

The Geographical Indication (IG) Lisboa is one of the most important Portuguese wine regions, in terms of vineyard area and wine production. Formed by gentle hills, of low relief, IG Lisboa extends from the capital of Portugal to the north, always along the coast, in a range not exceeding 40 km wide. Multifaceted region encompasses several denominations of origin, ancient and modern, with distinct characteristics. The climate is temperate, of Atlantic influence, with relatively mild summer, cooler and wetter in the areas closer to the sea, warmer and drier in the areas protected by Montejunto mountain.

THE BRAND

The Lisbon wine region stretches far beyond the city's urban confines, highlighting vast areas where nature reveals itself in all its splendor. Nestled between the more coastal areas and the Montejunto mountain range and including two nature parks (Sintra-Cascais and Serras De Aires and Candeeiros), the region harbors important biodiversity, especially migratory and resident birds. The Voo Real ("Royal Flight") brand unites lovers of quality wines with bird and nature aficionados, in a collection that shines in and out of the bottle.
